COMPANY PROFILE

HET Hub - Hollywood Entertainment Transport

+1 800-772-0636

contact@hethub.com

Hollywood Entertainment Transport delivers reliable, show-ready logistics with a modern fleet, expert drivers, and 24/7 support for tours and events.

ABOUT US

Your Premiere Entertainment Logistics Partner

We understand the demands of the entertainment industry. As a trusted leader in live event logistics, HET Hub delivers tailored, expert transport solutions for high-profile productions and tours. From bustling hubs like Los Angeles, New York, and Toronto to the scenic streets of Vancouver or vibrant events in Mexico City, our fleet brings precision, professionalism, and peace of mind to every mile across North America.

OUR SERVICES

High-Performance Transport Solutions for Every Production

HET Hub delivers secure, dependable logistics for productions of any scale—whether it's a single case across town or a multi-truck international tour. We ensure your equipment is delivered safely, on time, and fully prepared for showtime.

Our fleet is powered by more than 100 HET-certified drivers—uniformed in professional show black and trained for the unique demands of entertainment logistics. These top-tier drivers are a cornerstone of our reputation for reliability and precision.

Purpose-Built 53' HET Hub Trailers Include:

- Vertical logistics posts every 16 inches (floor to ceiling)
- Three LED lights for night load-ins and load-outs
- Twelve 4,500 lb. straps (extra on request)
- Eight 5,000 lb. solid load bars
- 16" x 36" loading ramp stored beneath trailer

NO ADDITIONAL CHARGE

Tailor your transport to your production's needs with add-ons at no extra cost:

- 53' HET Hub trailer with side door for merch
- 30'/40' trailers with horizontal E-track and liftgate for short hauls
- Extra 16' loading ramp
- 6'x36' dance floor ramps
- Shelving
- Plywood for merch attic
- Additional straps and load bars

OUR EXPERIENCE

P

Premium Logistics. Proven Performance

At HET Hub, we deliver high-end transportation solutions built for the pace and precision of the entertainment industry. Our services are designed for productions, artists, and event professionals who demand reliability without compromise. From first load-in to final strike, our experienced chauffeurs and elite fleet ensure every mile is executed with efficiency, style, and complete peace of mind—so your team can stay focused on delivering unforgettable performances.

Send your referral via email introduction. Once the agreement is finalized, your reward will be issued without delay.

YOUR ALL-ACCESS PASS TO SMOOTH LOGISTICS

Reliable, Scalable Transport & Storage Solutions

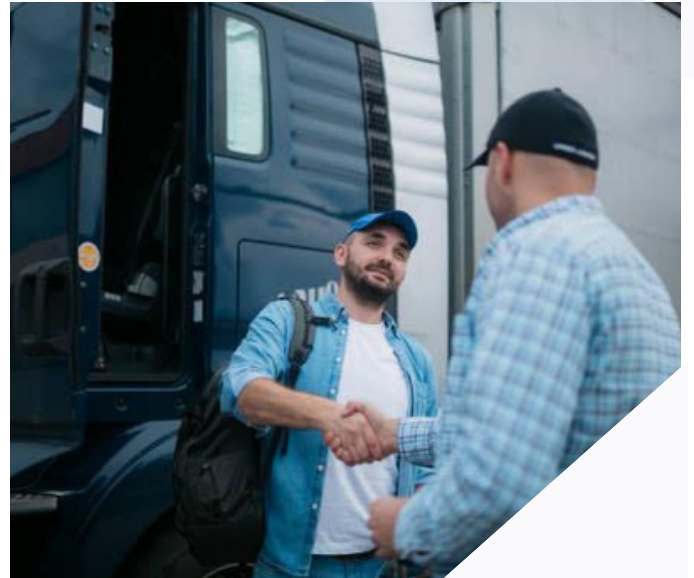

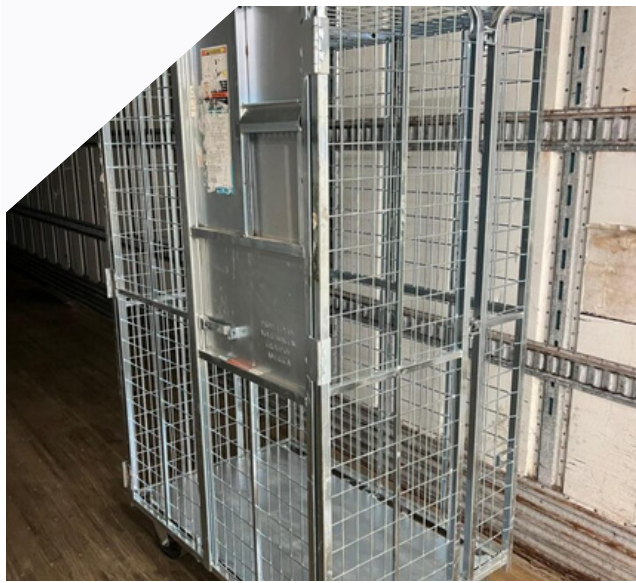

We operate a comprehensive fleet of trucks, trailers, and transport equipment to give you total control from start to finish. From pre-event coordination to final delivery, we manage every step with precision, speed, and accountability.

Through our partnership with Oracle® logistics technology, we provide real-time tracking and state-of-the-art operational oversight—giving you complete visibility and peace of mind.

STORAGE DESIGNED AROUND YOUR TOUR

SECURE. ADAPTABLE. ALWAYS TOUR-READY.

Between shows, during breaks, or while routing to the next city, HET Hub offers climate-controlled warehousing at key North American hubs. Whether you need short-term storage between stops or long-term storage between tours, your gear stays safe, secure, and exactly where you need it, when you need it.

Drive More Than Freight — Drive the Show **Join the HET Hub Team**

At HET Hub, we do more than move equipment—we help power the entertainment world. As we expand, we're creating new opportunities for skilled drivers to join a team that delivers for concerts, tours, sports, and major live productions across North America. Promoters and production crews trust HET Hub for complete logistics solutions—one call covers it all.

THE INDUSTRY IS GROWING AND SO ARE WE?

Thanks to our strong reputation in entertainment logistics, demand for qualified drivers is at an all-time high. Driving with HET Hub is more than just a trucking job—it's about joining a professional crew, building connections, and contributing to unforgettable events.

We're looking for dependable professionals ready for extended runs, willing to work closely with teams, and committed to delivering on time, every time.

Why HET Hub Leads the Industry?

- ◆ **Entertainment-Driven Services:** Tailored transport for tours, film sets, exhibitions, and live shows.
- ◆ **Purpose-Built Fleet:** 53' trailers with LED interior lighting, secure load bars, integrated ramps, and merch-ready storage.
- ◆ **North American Reach:** Full coverage in the U.S., Canada, and Mexico for events of any scale.
- ◆ **Secure Storage Options:** Climate-controlled, high-security warehouses for your gear.
- ◆ **Experienced, Show-Ready Drivers:** Over 100 HET Hub-certified drivers trained to handle delicate production gear.

SPECIALIZED TRAINING FOR ENTERTAINMENT LOGISTICS

All new drivers receive focused, hands-on training to prepare for the unique demands of the entertainment industry, including:

- Backstage language & professional conduct
- Load-in & load-out procedures
- Proper equipment security
- Blind-side backing with radio assistance
